Procedure regarding .....

Government of Bombay,
Revenue Department.
Resolution No.9955/49.
Bombay Castle, 7th May 1953.

Read: Government Resolution, Revenue Department No.9955/49 dated 29th April 1952.

Letter No.B.N.D.20 dated 29th January 1953 from the Collector of Ahmednagar.

' Reference Government Resolution, Revenue Department No.9955/49 dated 29th April 1952.

In this district the boundary marks repairs are to be carried out according to the revised procedure approved as a trial by Government in their resolution No. under reference. Government have further directed me to watch the result of the new scheme for two years. All Mamlatdars were therefore directed to follow the procedure laid down in the above Government Resolution while carrying out the Boundary marks repairs work for the year 1952-53. But due to the scarcity conditions prevailing all over the district, many of the agriculturists have left their villages for want of livelihood; and there is every possibility of this work being left in arrears. The work so left in arrears ~~[illegible]~~ will have to be got done through Government agency and the khatedars will be saddled with the additional demand. This will adversely affect their financial condition which has already been affected badly due to scarcity conditions. The taluka and Prant Officers have therefore suggested that the boundary marks repairs work should be postponed this year. Accordingly I have postponed the work of Boundary marks repairs by one year throughout the whole district. In these circumstances it is submitted that the period of watching the experiment sanctioned in this district may kindly be extended by one year more.'

By order and in the name of the Governor of Bombay,

E.S.NAIR.

Assistant Secretary to Government.
